

# Super Secret No Joke Don't Share Online Agreement

## Recitals

WHEREAS, the Parties wish to engage in the exchange of highly classified, top-secret, and potentially catastrophic data that must not, under any circumstances, be shared with unauthorized entities, third parties, or random individuals with access to the internet;

WHEREAS, the Parties acknowledge the critical importance of keeping all terms, actions, and consequences strictly confidential, with no exceptions or permissible loopholes for online divulgence;

NOW, THEREFORE, in consideration of the dire consequences of breaching confidentiality and the catastrophic potential of unauthorized sharing, the Parties hereby agree as follows:

## Article I: Definitions

- **“Confidential Data”** refers to any and all information that is so secret that even attempting to describe it might result in the immediate dissolution of reality itself. This includes, but is not limited to, secret formulas, hidden messages, and encrypted content only accessible to the most trustworthy entities.
- **“Non-Disclosure”** refers to a legally binding agreement that prevents the disclosure of any details, even accidentally, under pain of irreversible consequence.
- **“Catastrophic Disclosure”** refers to any event where the confidential information is shared online or with an unauthorized party, resulting in potentially global-scale events, involving time-space rifts, or mass panic.

## Article II: Obligations of the Parties

### 2.1 First Party's Obligations:

The First Party shall, under no circumstances, share or hint at the contents of this Agreement, unless doing so directly undermines the core integrity of global society. In such cases, the First Party will act in accordance with interdimensional legal protocols, which may or may not exist.

### 2.2 Second Party's Obligations:

The Second Party agrees to safeguard, encrypt, and protect all confidential information

under pain of instant annihilation by intergalactic enforcers. Sharing any part of the confidential data online is a breach that will trigger an immediate and irreversible chain of events, including but not limited to the rewriting of the multiverse's laws.

### **2.3 Mutual Obligations:**

Both Parties agree to work in absolute secrecy, using cryptographic methods that remain undiscovered by current technologies. Each Party shall undertake any and all measures, physical or metaphysical, to ensure that no trace of this Agreement can be found in any publicly accessible domain.

## **Article III: Term and Termination**

### **3.1 Term:**

This Agreement shall commence on the Effective Date and remain in force for an eternity, unless the universe itself collapses due to the disclosure of classified information or if an unauthorized party accidentally discovers the contents online.

### **3.2 Termination for Catastrophic Disclosure:**

In the event of catastrophic disclosure, this Agreement shall be terminated immediately by the Universal Council of Secrecy, with all terms rendered void, and the offending Party shall be transported to a non-existent dimension for further containment.

## **Article IV: Miscellaneous Provisions**

### **4.1 Governing Law:**

This Agreement shall be governed by the laws of the hidden realms and enforced by entities that transcend all known dimensions. Should any earthly jurisdiction attempt to govern this Agreement, it will be nullified and replaced by higher, unknown powers.

### **4.2 Entire Agreement:**

This document represents the entirety of the Agreement between the Parties. Any prior agreements, verbal or written, in any dimension, reality, or alternate timeline, are hereby null and void, including but not limited to all non-disclosure agreements signed by beings that may or may not exist.

### **4.3 Severability:**

If any provision of this Agreement is found to cause a rupture in the fabric of reality or leads to the spontaneous generation of rogue black holes, it will be deemed void, and the remaining provisions shall continue, albeit in a form altered by the very nature of existence.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Effective Date.

**First Party:**

**Second Party:**
